

peaceable Kingdom: Your personal Version

Edward Hicks first copied the peaceable kingdom scene from an engraving called *The Peaceable Kingdom of the Branch*, which was popular in Bibles and prayer books in the early 1700's.

Why don't you try to copy this Edward Hicks painting? Use a pencil, or colored pencil, or crayons or paint. How does your work compare with the original?

Image Credits: Edward Hicks, (1780-1849), *The Peaceable Kingdom*, c. 1837, H. 28 x W. 35 inches, oil on canvas, collection of the Mercer Museum of the Bucks County Historical Society.
